Good afternoon, Sarah,

I apologize for the delay – I've been working off-site most of the day.

Please find attached the final (signed) letter that was sent to Mr. Kaplan. Let me know if you have any questions!

Best,

Christine

Hi Sarah,

The letter should be going out pretty shortly here, so I'll send you the scanned copy once it's on its way in the next day or two.

Best,

Christine

Thank you! When the letter is sent would it be possible to send a scanned copy my way? Our snail mail tends to be very slow. Thanks again!

Hi Amanda,

Do you happen to have a draft of the Red Wing recommendation you are sending us in the near future? It's crunch time on getting the TSD put together, and it would be helpful to add to the write-up now and just add the date once it is sent.

Thanks!

Sarah
